We at Springer, both in Production and Editorial, deeply regret that a typesetter's error during page layout led to the following misrepresentation in the print and on-line pdf version of this paper:

The picture of the deceased Professor Giuseppe Bendoricchio inadvertently appeared above the name of the author of the Dedication, Professor Nicola Pirrone. For this reason, the correctly labeled picture of Prof. Bendoricchiotr is reproduced here.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10113-004-0095-6>
