Numerical study on amelioration of water quality in Lakes Shinji and Nakaumi: a coastal brackish lagoon system

Published online: November 23, 2007

Erratum to: Limnology (2007)
DOI 10.1007/s10201-007-0222-4

We regret that the original version of this article contained an error. The presentation of Fig. 1 was incorrect. The figure is correctly shown here.

Fig. 1. Topography and location of the monitoring stations in Lakes Shinji and Nakaumi. ●, regular monitoring stations of water quality; ■, monthly monitoring stations of water temperature and salinity (psu); ▲, Automatic Meteorological Data Acquisition System (AMeDAS) weather stations

The online version of the original article can be found under doi: 10.1007/s10201-007-0222-4
