Erratum to: J Pest Sci DOI 10.1007/s10340-016-0769-0

Unfortunately, there is an error in Fig. 4 in the original publication of the article. The correct version of Fig. 4 is given below:

Fig. 4 Cumulative pupation rates of overwintering larvae of *C. suppressalis*. Diapausing larvae of both the third (a) and fourth (b) generations were kept at 1, 5 and 10 °C and a daily mean temperature of 9.3 °C until the termination of diapause on 31 March and then were transferred to natural conditions
