Retraction Note to: Real-time slope water table forecasting by multi-tank model combined with dual ensemble Kalman filter

Retraction to: Landslides (2011) 8:81–89
DOI 10.1007/s10346-010-0223-y

The Editors of the Journal of *Landslides* in agreement with the authors and the publisher hereby retract this article.

The article is retracted due to a significant originality issue arising from the following paper.

Hamid Moradkhani, Soroosh Sorooshian, Hoshin V. Gupta, Paul R. Houser (2005) Dual state–parameter estimation of hydrological models using ensemble Kalman filter. *Advance in Water Resources* 28:135–147. DOI [10.1016/j.advwatres.2004.09.002](https://doi.org/10.1016/j.advwatres.2004.09.002)

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10346-010-0223-y>.
