Erratum to: Esophagus DOI 10.1007/s10388-014-0422-z

In the original publication of the article there are errors in Table 6, which should be corrected as follows:

In the row NAC, the values in column 2yOS (%) for the classification DCF should be 100 instead of 84 and the values of 1yOS (%), 2yOS (%) for the classification FP should be 97 and 87 instead of 92 and 78, respectively.

The online version of the original article can be found under doi:[10.1007/s10388-014-0422-z](https://doi.org/10.1007/s10388-014-0422-z).
