ERRATUM TO: EcoHEALTH DOI 10.1007/s10393-013-0832-8

In “Experimental evidence for American bullfrog (*Lithobates catesbeianus*) susceptibility to the chytrid fungus (*Batrachochytrium dendrobatidis*)” by Gervasi et al. in this issue of EcoHealth, the following details were inadvertently omitted: E. Hunt, J. Connor, J. Golden, and J. Hammond are to be acknowledged for assistance in the field and in

the laboratory; the research was funded by NSF DEB1119430 to R.A.R. and A.R.B. and a National Graduate Women in Science Hartley Corporation Fellowship to S.S. Gervasi; and the additional affiliation for Tara Chestnut is United States Geological Survey, Oregon Water Science Center, Amphibian Research and Monitoring Initiative, 2130 SW 5th Avenue, Portland, OR 97201, USA; chestnut@usgs.gov
