Erratum

Erratum to: A Predictive Model of Therapeutic Monoclonal Antibody Dynamics and Regulation by the Neonatal Fc Receptor (FcRn)

GREGORY Z. FERL,¹ ANNA M. WU,² and JOSEPH J. DiStefano III³

¹Genentech Early Development PKPD, 1 DNA Way, South San Francisco, CA, USA; ²Crump Institute for Molecular Imaging, Department of Molecular and Medical Pharmacology, David Geffen School of Medicine at UCLA, Los Angeles, CA, USA; and ³Biocybernetics Laboratory, Departments of Computer Science and Medicine and Biomedical Engineering Interdepartmental Program, University of California, Los Angeles, CA, USA

**Erratum to: Annals of Biomedical Engineering (2005)
 33(11):1640–1652
 DOI 10.1007/s10439-005-7410-3**

Two typographical errors appear in Ferl *et al.*¹ Equation (A.11b) should read

$$Pe_{L,organ} = (J_{iso,organ} + \alpha_L L_{organ}) \frac{1 - \sigma_L}{PS_{L,organ}}$$

and Equation (A.11c) should read

$$Pe_{S,organ} = (J_{iso,organ} + (1 - \alpha_L) L_{organ}) \frac{1 - \sigma_S}{PS_{S,organ}}.$$

Additionally, the following two relationships were mistakenly excluded from Ferl *et al.*¹

$$J_{L,organ} = J_{iso,organ} + \alpha_{L,organ} L_{organ}$$

and

$$J_{S,organ} = J_{iso,organ} + \alpha_{S,organ} L_{organ}.$$

We apologize for any inconvenience this may have caused.
