Erratum

Erratum to: A Regional Blood Flow Model for β_2 -Microglobulin Kinetics and for Simulating Intra-dialytic Exercise Effect

VAIBHAV MAHESHWARI, LAKSHMINARAYANAN SAMAVEDHAM, and GADE P. RANGAIAH

Department of Chemical and Biomolecular Engineering, National University of Singapore, Singapore, Singapore

Erratum to: Annals of Biomedical Engineering
(2011) 39(12):2879–2890
DOI: 10.1007/s10439-011-0383-5

The reference #23 in the published article should read,

23. Eloit, S., A. Torremans, R. De Smet, B. Marescau, D. De Wachter, P. P. De Deyn, N. Lameire, P. Verdonck, and R. Vanholder. Kinetic behavior of urea is different from that of other water-soluble compounds: The case of the guanidino compounds. *Kidney Int.* 67:1566–1575, 2005.
