Erratum to: Angiogenesis (2012) 15:99–114 DOI 10.1007/s10456-011-9246-9

There was an error in the section entitled “Antitumor studies in nude mice” on page 104.

The control group of H69 tumor-bearing mice was fed AIN-76A diet containing 10% corn oil. The treatment

group of H69 tumor-bearing mice was fed MG624 (dose = 50 mg/kg food) in AIN-76A diet containing 10% corn oil and 0.2% DMSO. The conclusions of the article are unaltered. The authors regret these misstatements in the original article.

The online version of the original article can be found under doi:
