Modeling uncertainty and its implications to sophisticated control TÆMS agents

Thomas A. Wagner · Anita Raja · Victor R. Lesser

Springer Science+Business Media, LLC 2006

Erratum to: Auton Agent Multi-Agent Syst
DOI: 10.1007/s10458-006-7669-2

The publisher apologizes for the error in the online heading of “Modeling Uncertainty and its Implications to Sophisticated Control in TÆMS Agents” published in this issue, Volume 13, No. 3. “TÆMS” was incorrectly spelled as “Tems” in the online table of contents and in the online data. The print and the pdf publication of the actual display the correct spelling.

The online version of the original article can be found at
