Subsequent to the publication of this article, it was noted that one of the culture collection numbers given for the type strain was given in error. Consequently, in the abstract “The type strain is AT2-A^T (CCTCC AB 2016296^T = KCTC 52626^T).” should read “The type strain is AT2-A^T (CCTCC AB 2016296^T = KCTC 62340^T).”

Likewise, in the protologue section, “The type strain is AT2-A^T (= CCTCC AB 201696^T = KCTC 52626^T), which is a algal-associated bacterium isolated from the culture of a toxigenic marine dinoflagellate, *Alexandrium minutum* (Amtk-4) collected from southern Taiwan.” should read “The type strain is AT2-A^T (= CCTCC AB 201696^T = KCTC 62340^T), which is an algal-associated bacterium isolated from the culture of a toxigenic marine dinoflagellate, *Alexandrium minutum* (Amtk-4), collected from southern Taiwan.”
