Following the on-line publication of the above article several errors have come to light that require clarification in the form of an erratum.

First, table 1 identifies Gilad Chen (University of Maryland) as the 27th highest impact overseas Chinese strategy scholar. This is an error. Professor Chen is not primarily a strategy scholar nor can he be categorized as an overseas Chinese individual. In the revised manuscript, it is available from the editor-in-chief. Gilad Chen has been removed from Tables 1, 3, and 4.

Second, we misidentified or misspelled the institutional affiliations of the following.

#24 XiaoweiLuo in Table 1 should be Xiaowei Luo (add a space) and the affiliation should be “INSEAD” (not “University of Illinois”). In Tables 3 and 4, Xiaowei Luo’s affiliation should be “INSEAD” too. #4 Eric W. K. Tsang in Table 4, should be “U of Texas at Dallas” (not “U of Texas”). #11 Yi Jiang in Table 4, should be “California State University at East Bay” (not “Calif. State U.”). #12 Zhiang
