The authors have noticed an error in Fig. 3A, which contained an incorrect version of the input control for Bcl2 expression (lower panel). The correct figure is shown, the conclusions remain unchanged. We apologize for this mistake.

Fig. 3 Interaction of PUMA mutants with Bcl2: (A) Flag-tagged proteins were immunoprecipitated from U2OS cells following transient transfection with pcDNA-Bcl2 and the indicated Flag-tagged PUMA expression plasmids. The immunoprecipitates were subjected to SDS PAGE followed by Western blotting to detect Bcl2. Western blotting of cell lysates confirmed expression of each protein
