The original article has been corrected.

The versions of Figures 2–4 presented in the original version of this article were incomplete. In all three figures, structural paths were omitted. The article has been updated to provide the correct figures, which are also presented here (Figs. 2, 3, 4).

The original article can be found online at <https://doi.org/10.1007/s10508-017-1097-z>.
