In the original publication of this article, some letters within the caption of Fig. 1 were misplaced. The three illustrated accessions are represented in the composite figure by two images (fruits and foliage), each one identified by means of letters. In the original caption, only one letter, instead of two, is indicated for each accession. The correct version of the caption of Fig. 1 is provided below:

Fig. 1 Propagated *Citrullus* accessions (see Table 1): **a, c, e** fruits, scale bar = 5 cm; **b, d, f** foliage. **a, b** GBR004-83216: *C. amarus*, **c, d** RUS001-4679: *C. amarus*, **e, f** USA016-PI490380: *C. mucosospermus*. Photos by T. Abeli (**a, c, e**), V. Ottobriano (**b, f**), and N. M. G. Ardenghi (**d**)
