Erratum to: *Biogeochemistry* (2012) 107:19–41 DOI 10.1007/s10533-010-9520-8

There was a mistake in the “cumulative annual emission of N₂O and CH₄ across forest sites in

Madrid” in Table 5 and throughout the paper. These cumulative emissions correspond to the whole experiment and the correct values are shown in the table printed below. This mistake and the inconvenience caused are regretted.
