1 Collaborators for BIT volume 55

Volume 55 of BIT is now completed, and I want to thank all who have contributed during 2015, authors, editors, printers, and publishers.

We are especially grateful to all referees, whose voluntary work is absolutely necessary for maintaining the quality of the journal. Thank you very much for your service to our profession!

Here is a list of the the referees who have reported 2015. I am sorry if I missed someone who should rightfully be on the list.
