Collaborators for BIT volume 56

Volume 56 of BIT was completed in December 2016, and I want to thank all who have contributed during the year, authors, editors, printers, and publishers.

We are especially grateful to all referees, whose voluntary work is absolutely necessary for maintaining the quality of the journal. Thank you very much for your service to our profession!

Here is a list of the the referees who have reported in 2016. I am sorry if I missed someone who should rightfully be on the list.
