Erratum to: Breast Cancer Res Treat DOI 10.1007/s10549-008-9927-2

Due to an unfortunate mistake on Springer's part, a wrong table was published in the article, [10.1007/s10549-008-9927-2](https://doi.org/10.1007/s10549-008-9927-2). Please find the correct table below.

The online version of the original article can be found under doi:[10.1007/s10549-008-9927-2](https://doi.org/10.1007/s10549-008-9927-2).

The ranking numbers indicate the ranking of each gene set out of the 79 gene sets in each dataset and the mean number indicate the ranking of the neighboring regions in the meta-analysis. Twelve significant out of a total of 79 neighboring regions are shown
