Erratum to: Int J Cardiovasc Imaging DOI 10.1007/s10554-009-9573-8

Due to an unfortunate misunderstanding, errors were introduced in the above mentioned article.

The first two authors contributed equally to this article.

This research was supported in part by Taichung Veterans General Hospital under grant number TCVGH-985506C.

The online version of the original article can be found under doi:[10.1007/s10554-009-9573-8](https://doi.org/10.1007/s10554-009-9573-8).

The affiliations of the authors were incorrectly displayed and an important footnote was missing. The correct information is published below and should be treated as definitive by the reader.

Furthermore, a typographical error was introduced in the first sentence of the section “Acute pulmonary embolism and pulmonary infarction” and in the caption of Fig. 2, where thromboembolic must have read thromboemboli.
