Dear reader,

In the beginning of this year we have made a number of significant changes in the Editorial Board, which are described below. Positions to the Editorial Board are for a certain amount of time and then replaced by new members who we feel can bring additional impetus to the Journal.

First of all, we have a new NASCI Adjunct editor, Bruce Greenberg, MD from Arkansas Children's Hospital, Department of Radiology, Little Rock, AR, USA. He is replacing Pamela Woodard, MD, who has moved to the general Editorial Board.

Next, Hajime Sakuma, MD, from Mie University, Faculty of Medicine, Department of Radiology, Tsu, Mie, Japan, is now the new Adjunct Editor for the Far East Region, replacing Nagara Tamaki, MD, who has also moved to the general Editorial Board.

Tara Catanzano, MD, who has been an active member of the NASCI Case-in-point team has also moved to the Editorial Board.

After many years of excellent service to the *International Journal of Cardiovascular Imaging*, we have

thanked Maleah Grover-McKay, MD, Jonathan R. Lindner, MD, Heinrich R. Schelbert, MD, S. Richard Underwood, MD, Pim J. de Feyter, MD, and J.S. Whiting, PhD for their contributions as members of the Editorial Board.

And finally, in addition to the names mentioned above, we have added the following new members to the Editorial Board: Jongmin Lee, MD, Deagu, Korea, Benoit Desjardins, MD, Philadelphia, PA, USA, Myeong-Ki Hong, MD, Seoul, Korea, Kengo Tanabe, MD, Tokyo, Japan, and Dimitris Mitsouras, MD, Boston, MA, USA.

I would like to once again thank all these members who will not remain on the Editorial Board for all their work over the years, and hope that they remain active as authors and possibly reviewers for the Journal. And of course, I very much look forward to work actively together with all the new and distinguished members of the Board.

Thank you so much, also on behalf of our Associate and Adjunct Editors,
