The original version of this article unfortunately contained mistakes.

The first sentence in the *Method* section on page 156 should have read: “The overall flow diagram of the methodology used is shown in Fig. 3 (based on Cetin et al. 2008)”.

The caption for Figure 3 on page 158 should have read: “Fig. 3. Flow diagram of the methodology used (based on Cetin et al. 2008)”.

The following reference should have been included:
