Erratum to: Environ Monit Assess DOI: 10.1007/s10661-014-3963-7

In the original publication of this article, there was a mistake in the order of the figure parts in Fig. 3. The figure parts of Fig. 3 should be interchanged to correspond correctly in the figure caption 3a on Scots pine sites and 3b on Norway spruce sites.

The correct figure is presented here.
