**Retraction to: Environ Monit Assess (December 2014) 186, Issue 12:8051–8061
DOI 10.1007/s10661-014-4050-9**

This article has been retracted by the editor-in-chief with the agreement of the author because a previous version of this article using the same dataset had already been published in another journal with a different set of authors. The author did not have permission (implicit or explicit) to publish this data in our journal. The author apologizes to the editors and readers as well as the authors of the original papers.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10661-014-4050-9>.
