The original version of this article unfortunately contained a mistake in the article title.

The article title should have been Quantitative assessment of possible human health risk associated with consumption of arsenic contaminated groundwater and wheat grains from Ropar Wetland and its environs not Quantitative assessment of possible human health risk associated with consumption of arsenic contaminated groundwater and wheat grains from Ropar Wetland and its environs. The corrected article title is shown above.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10661-016-5507-9>.
