The first line of the “Neuro-transmission enzymes” section in Results and Discussion is published incorrectly. The correct line should read as: “Data pertaining to the impact of dietary methyl donors on AChE activity in the brain tissue of *L. rohita* fingerlings

exposed to endosulfan-induced chronic stress is shown in Fig. 1b.”

Inadvertently, the complete acknowledgment was not included in the original publication. The complete acknowledgement should read as: “Authors are thankful to Dr W. S. Lakra, Vice Chancellor/Director, Central Institute of Fisheries Education, Mumbai-61 for providing all the facilities required for the present work. The first author acknowledges the financial assistance in the form of Junior Research Fellowship from the Institute and help and encouragement from A. K.
