Correction to: Group Decis Negot (2011) 20:165–183
<https://doi.org/10.1007/s10726-009-9166-x>

In the original publication of an article, the authors inadvertently failed to cite the original source for Section 3, A Brief History of the SEC and the Evolution of Standard Setting Bodies. The missing reference is:

Zeff SA (1995) A perspective on the U.S. public/private-sector approach to the regulation of financial reporting. *Account Horiz* 9(1):52–70

Table 1, row 1 should be marked to include FASB statement #25, and row 7 should be marked as occurring with FASB statement #19, not #25.

The original article can be found online at <https://doi.org/10.1007/s10726-009-9166-x>.
