There was an error in my paper published in *Hydrobiologia* (Vol. 553, p. 201–217, 2006). An error in a spreadsheet formula resulted in an underestimate of leaf elongation rates for *Zostera japonica* shown in Figure 7. The corrected leaf elongation rates are shown here. Additionally, the first sentence of the last paragraph on page 210

should read “Leaf elongation rates ranged between ca. $0.16 \text{ cm sht}^{-1} \text{ d}^{-1}$ during February 2002 and $0.79 \text{ cm sht}^{-1} \text{ d}^{-1}$ during April 2002 (Fig. 7).”

I thank Deborah Shafer (US Army Corps of Engineers, Engineer Research and Development Center, Vicksburg, MS) for identifying this error.
