Please note the following amendments to this article:

Figure 5: each diagram should be rotated 90° anticlockwise, thus:

Tables 1 and 2: the heading of column 3 should read ‘Total # of fish’. Line 3 of the footnotes should also read ‘Total # of fish’.

Table 3: the headings of columns 2 and 3 should read ‘Year’ and ‘Value’.

Table 4: the heading of column 4 should read ‘Total # of fish’.
