The following errors were published in this paper because the vendor did not make these changes as indicated by the author. We apologize for these mistakes.

Introduction

¶ 1, line 3: Change “That” to “The”

¶ 3, last sentence: Change “that controls do not” to “that are not given in control sessions”

Methods

Equipment and Procedure

¶ 3, lines 3–4: Change “and waved about the blue duster” to “and the experimenter waved about the blue duster”. Explanation: the human in veterinary garb did not have the duster; these were two separate stimuli introduced independently of each other.
