Erratum to: Int J Thermophys DOI 10.1007/s10765-014-1784-0

After online publication of the article, regarding an unresolved question in Sect. 4, A.H. Harvey (priv. comm.) kindly informed the authors that the virial coefficients of water compiled by Nelson and Sauer, Ref. [10] in the article, were fitted to values he had computed from IAPWS-95, Ref. [7] in the article, and provided to those authors.

The online version of the original article can be found under doi:[10.1007/s10765-014-1784-0](https://doi.org/10.1007/s10765-014-1784-0).
