Erratum to: Int J Thermophys (2017) 38:147 DOI 10.1007/s10765-017-2279-6

The original version of this article unfortunately contained an error. The conversion from Debye units for the dipole moment to SI units was printed incorrectly on page 4 and in the footnote to Table 3. In both cases, the text should read $1 \text{ D} \approx 3.335\,641 \times 10^{-30} \text{ C} \cdot \text{m}$.

In addition, the page number (283) was omitted from Ref. 32 of the article. The original article has been corrected.

The online version of the original article can be found under doi:[10.1007/s10765-017-2279-6](https://doi.org/10.1007/s10765-017-2279-6).
