This article has been retracted at the request of the Editor in Chief.

After concerns were raised that the article contained redundant material, the editor investigated and found that the paper constituted the third verbatim publication of the same text. The previous two publications can be found here:

Di Nucci, E. (2014), *Ethics Without Intention* (London: Bloomsbury) (ISBN: 978-1472532961), pages 158–161, 163–169.

Di Nucci, E. (2013), “Double Effect and Terror Bombing,” in *Was dürfen wir glauben? Was sollen wir tun?* ed. Miguel Hoeltje et al. (Duisburg and Essen: Universität Duisburg-Essen/DuEPublico) (ISBN 978-3-00-042332-1), pages 573–576, 577–581.

The author concedes that the paper contained reduplicated material and agreed to the retraction.
