Erratum to: J Abnorm Child Psychol
DOI 10.1007/s10802-014-9918-1

The authors would like to note an error in Figure 1 of the originally published manuscript. The first value on the x-axis is mislabeled as “-400 ms.” The first value should be “-600 ms.” A revision of Figure 1 is presented here:

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10802-014-9918-1>.
