ERRATUM

To the article "Enhanced Sensitivity of Direct Beryllium Determination in Soils by Laser-Induced Breakdown Spectrometry" by A. M. Popov, M. O. Kozhnov, S. M. Zaytsev, N. B. Zorov, and T. A. Labutin, Vol. 82, No. 5, pp. 739–743, 2015.

On page 739, in the first line of the Introduction, rare-earth element should read alkaline-earth element.

Throughout the article, SSS should read CRM for "Certified Reference Material." The three types of CRM of soils, CGS, RES, and TBS, should read SSK, SKR, and SCht, respectively.
