This erratum is to correct Table 2 originally published in the online version of our article Matter, Places, and Persons in Cahokian Depositional Acts doi: 10.1007/s10816-016-9304-0. At the time of publication, Table 2 was missing the citations column citing the sources for the presented data. Here we include the corrected table (with the addition of a citations column) and would like to acknowledge the Illinois State Archaeological Survey for permissions to use unpublished data from the following sites: Goose Ditch, Baby Moon, Fingers South, and Curtiss Steinberg. We also include the references associated with the table.
