Dear Colleagues:

The Spring Semester/Quarter is over, and we have about three months in front of us to catch up on what we did not have time to complete! Perhaps some vacation and relaxation is ‘somewhere’ in the horizon – nothing wrong with it, we all need it and deserve it! However, I will take this opportunity to encourage you to consider, as part of your plan, submitting your work to our journal. I am proud to state that we are earning the respect we deserve and that more people consider publishing their research in JINT!

I wish you all have a nice break, and enjoy the issue.
