From the Editor-in-Chief

Kimon P. Valavanis

Published online: 4 October 2014
© Springer Science+Business Media Dordrecht 2014

The issue at hand is a double Special Issue and the Guest Editors provide a well written justification of its importance and a summary of the included papers.

I also want to take this opportunity and inform the readers and all perspective authors that, effective with the January 2016 issue, authors of accepted papers will be asked to provide a one paragraph short bio as part of their work. We believe this initiative does better justice to our readership.

Enjoy the issue.

A handwritten signature in black ink, appearing to read 'K. Valavanis', with a stylized flourish extending to the right.
