Dear Colleagues:

The Volume at hand is the last combined multiple issue of 2016. It is composed of five contributed papers and 43 Special Issue papers related to unmanned aircraft systems.

It is hard to believe that one more year passes so fast. However, we accomplished a lot with respect to keeping JINT on the map. JINT is recognized as an archive publication and it keeps on earning the respect of the Unmanned Systems community. We are looking forward to even a better year in 2017.

I would like to also take this opportunity and wish to all of you HAPPY HOLIDAYS with health, happiness and prosperity.

Enjoy the issue,

Kimon P. Valavanis
