Dear Colleagues:

At first, I would like to wish you wholeheartedly a Happy New Year, with health, happiness and prosperity. The Springer group and I promise that we will work even harder to promote and improve further the journal.

We are looking forward to a productive year, publishing high quality papers.

The issue at hand is the first double issue of the year. It is a special issue and the Guest Editors have

done an outstanding job preparing it. I certainly hope you enjoy it.
