In Fig. 4 of this article, a typographical error was made in reporting the mechanical parameters. The y-axis label of Fig. 4b should be ‘Stiffness, E [GPa]’; the y-axis label of Fig. 4d should be ‘Fracture strain energy density, u [MPa]’. This error does not affect the caption of Fig. 4 or the conclusion of the paper. The correct graph is shown below. The authors would like to apologize for any confusion the error may have caused.

The online version of the original article can be found under doi:[10.1007/s10856-011-4318-3](https://doi.org/10.1007/s10856-011-4318-3).

Fig. 4 Bar charts showing **a** strength, σ , **b** stiffness, E , **c** elastic strain energy density, u' , and **d** fracture strain energy density, u , versus POSS concentration (% w/w). Vertical bars indicate standard error. Results from the control group (0 % (w/w)) are shown here for the purpose of comparison
