Erratum to: J Mater Sci: Mater Med
DOI 10.1007/s10856-011-4456-7

The original version of this article was published with incorrect Figs. 4d, e, 5e, and 6e. The correct figures are provided herewith, and rectify the erroneous representation of data.

Fig. 4d and 4e Fluorescence microscopic (ApoTome) images (20×) showing expression of Collagen I in 3T3 after 4 days incubation on lysine coated cover slip with alginate scaffold (**d**) and after 3 days

incubation on lysine coated cover slip with honey-alginate fibrous scaffold (**e**)
