Erratum 1

To the article "MHD Flow and Heat Transfer in a Channel Bounded by a Shrinking Sheet and a Plate with a Porous Substrate" by D. S. Chauhan and R. Agrawal published in Vol. 84, No. 5, pp. 1034–1046, September, 2011,

Figure 7 (p. 1044) should be replaced by the following figure:

Fig. 7. Heat transfer rate at the shrinking sheet (a) and at the porous interface (b) vs. R for different values of M , λ , K , m , and Pr . The curves without indicated values of m and Pr relate to $m=3$, $Pr=7$.
