Correction to: Journal of Immigrant and Minority Health
<https://doi.org/10.1007/s10903-018-0810-x>

The original version of this article unfortunately contained errors in Affiliation 3, Acknowledgement, Table 1 and in the text under Methods section. Also, a Co-corresponding author has to be included in the article.

In affiliation 3, "Department of Nutritional Sciences" should be "Division of Nutritional Sciences."

Dr. Margarita Teran-Garcia is added as a co-corresponding author of this article and the author is also affiliated to "Cooperative Extension, College of Agriculture and Consumer Economics (ACES), University of Illinois, Urbana-Champaign, Urbana, IL, USA."

In Methods section, the first sentence should read as "This study used data from a larger intervention study, Abriendo Caminos, is a multi-state, randomized-controlled, childhood obesity prevention program that is culturally-tailored for Mexican and Puerto Rican families."

The original article can be found online at <https://doi.org/10.1007/s10903-018-0810-x>.

In Table 1, the unit of measurement (kg/cm²) was missed out for Mother's BMI. Also, the text percentile is missed in the table note. Hence, the table note should read as "There are seven missing child BMI percentile measurements."

The correct acknowledgement section is given below:

Acknowledgements This research project is supported by the Agriculture and Food Research Initiative Competitive (AFRI) Grant No. 2015-68001-23248 from the USDA National Institute of Food and Agriculture (NIFA) under the Childhood Obesity Prevention Challenge Area to Cooperative Extension and the Department of Human Development and Family Studies at the University of Illinois, Urbana-Champaign. This initiative also supports Elizabeth Villegas Graduate Fellowship at the University of Illinois.
