In the original publication, the article title was inadvertently published with an error. The article explains about the study of scheelite and wolframite phases only, but the word

‘pervoskite’ has been used instead of ‘wolframite’. The correct title should be: Selective synthesis of scheelite/wolframite CdWO_4 nanoparticles: a mechanistic investigation of phase formation and property correlation.

The original article can be found online at <https://doi.org/10.1007/s10971-017-4545-2>.
