On page 548 Table 12 caption should read “Vertical displacement, u_z , at $[-b_2/2, L, 0.4]$. C-section beam” and in the text below the table on the same page the sentence should read “Table 12 shows the vertical displacement, u_z , of the point at $[-b_2/2, L, 0.4]$. Solid models as well as Taylor-type beam models are considered together with the present beam formulation.”
