ERRATUM

To the article “Aggregation of Preferences as a Method of Solving Problems in Metrology and Measurement Technique,” by S. V. Murav’ev, Vol. 57, No. 2, pp. 132–138, May, 2014.

The metadata of the article on SpringerLink incorrectly gives the article title as “General Problems of Metrology and Measurement Technique,” which is the article category. The title of the article should read “Aggregation of Preferences as a Method of Solving Problems in Metrology and Measurement Technique.”
