ERRATUM

To the article “Increasing the Reliability of Spectral Measurements of Signal Parameters at Low Signal-to-Noise Ratios,” by A. S. Glinchenko, A. M. Aleshechkin, and V. A. Komarov, Vol. 58, No. 9, pp. 1054–1061, December, 2015.

The formula $(X_{k_s} \cos \varphi, \sigma)$, $(X_{k_s} \sin \varphi, \sigma)$ in line 9 of page 1055 should be $(X_{k_s} \cos \varphi_{k_s}, \sigma)$, $(X_{k_s} \sin \varphi_{k_s}, \sigma)$.
