ERRATUM

To the article “Integration of Macro- and Microdamage Mechanics for the Performance Evaluation of Composite Materials,” by J. Varna and R. Talreja, Vol. 48, No. 2, pp. 145-160, 2012.

A correct Fig. 8 with a caption on p.157 should be

Fig. 8. The normalized average crack opening displacement u_{2an} as a function of the layer stiffness ratio E_x^s/E_2 for inside cracks ($2t_s = t_{90}$) and for surface/outside cracks ($t_s = t_{90}$): 1, 2, $\circ$ — inside cracks; 3, 4, $\square$ — outside cracks; 1, 3 — power law; 2, 4 — [26]; $\circ$, $\square$ — FEM.
