Under the heading Discussion the sentence “Hysing et al. (2007) developed Hamlet, a resistant 2BS-2RL translocation line, by using a susceptible wheat cultivar and resistant rye cv. Chaupon” should be replaced by “A new wheat-rye translocation (T2BS-

2RL, SLU) developed by Merker and Forsström (2000) showed resistance to multiple wheat diseases after evaluation by Hysing et al. (2007).”

The following reference should be included in the reference list of the article: “Merker A, and Forsström PO (2000) Isolation of mildew resistant wheat-rye translocations from a double substitution line. *Euphytica* 115:167–172.”
